AWARD OF CONTRACT FOR AS-NEEDED CRANE CERTIFICATION AND CRANE SERVICES (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

This action is to award an as-needed contract for crane certification and maintenance services at various Public Works facilities, including stormwater pump plants, dams, and flood maintenance yards within the County of Los Angeles.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the contract work is categorically exempt from the provisions of the California Environmental Quality Act.
2. Award the contract for As-Needed Crane Certification and Crane Services in an annual sum of \$218,335, to All-Cal Equipment Services, Inc. This contract will be for a term of one year commencing upon the Board's approval or execution by both parties, whichever occurs last, with four 1-year renewal options and a month-to-month extension up to 6 months for a maximum potential contract term of 66 months and a maximum potential contract sum of \$1,200,843.
3. Authorize the Director of Public Works or her designee to annually increase the contract amount up to an additional 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract, if required; and to adjust the annual contract sum for each option year over the term of the contract to allow for an annual cost-of-living adjustment in accordance with County policy and the terms of the contract.

4. Authorize the Director of Public Works or her designee to execute the contract; to renew the contract for each additional renewal option and extension period if, in the opinion of the Director of Public Works or her designee, All-Cal Equipment Services, Inc., has successfully performed during the previous contract period and the services are still required; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if, in the opinion of the Director of Public Works or her designee, it is in the best interest of the County of Los Angeles to do so.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to provide as-needed and intermittent crane certification and maintenance services at various Public Works facilities including, but not limited to, stormwater pump plants, dams, and flood maintenance yards within the County of Los Angeles. The Department of Public Works has not previously contracted for these services.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness/Fiscal Sustainability (Goal 1), Community Support and Responsiveness (Goal 2), and Integrated Service Delivery (Goal 3). The contractor who has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive manner will support Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The contract is for an annual amount \$218,335 plus 10 percent for additional work within the scope of the contract and cost-of-living adjustments in accordance with County policy and the terms of the contract. This amount is based on the unit prices/hourly rates quoted by the contractor and our estimated annual utilization of the contractor's services.

Funding for these services is included in the Internal Service Fund Fiscal Year 2014-15 Budget, which will be reimbursed by the Flood Control District Fund Budget. Funds to finance the contract's optional years, cost-of-living adjustments, and 10 percent additional funding for contingencies will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The recommended contractor is All-Cal Equipment Services, Inc., located in Stockton, California. This contract will commence on upon the Board's approval or execution by both parties, whichever occurs last, and continue for a period of one year. With the Board's delegated authority, the Director of Public Works or her designee may renew the contract for four 1-year renewal options and a month-to-month extension up to six months for a maximum potential total contract term of 66 months.

The contract will be in the form substantially similar to the form previously reviewed and approved by County Counsel (Enclosure A). Prior to the Director of her designee executing this contract, the contractor will sign and County Counsel will review it as to form. The recommended contract with

All-Cal Equipment Services, Inc., was solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the requirements of the Chief Executive Officer and the Board.

The award of this contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The contract contains terms and conditions supporting the Board's ordinances, policies, and programs including, but not limited to: the County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

Data regarding the proposers' minority participation is on file with Public Works. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

Pursuant to the applicable memorandum of understanding, the Request for Proposals (RFP) for this contracted service was submitted on March 27, 2014, to the appropriate union for review. The union has not asked to meet with Public Works regarding this solicitation.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code, Chapter 2.201) does not apply to this recommended contract, which is for services required on an as-needed and intermittent basis; hence, this contract is not a Proposition A contract (Los Angeles County Code, Chapter 2.121).

The contract includes a cost-of-living adjustment provision, which is in accordance with the Board's Policy approved on January 29, 2002.

ENVIRONMENTAL DOCUMENTATION

These services are categorically exempt from the provisions of the California Environmental Quality Act (CEQA). These services are within a class of projects that has been determined not to have a significant effect on the environment in that they meet the criteria set forth in Section 15301 of CEQA.

CONTRACTING PROCESS

On March 28, 2014, Public Works solicited proposals from 123 independent contractors and community business enterprises to accomplish this work. Also, a notice of the RFP was placed on the County's "Doing Business With Us" website (Enclosure B), and an advertisement was placed in the Los Angeles Times.

On April 24, 2014, three proposals were received. The proposals were first reviewed to ensure they met the minimum requirements in the RFP. One proposal was disqualified for not having the appropriate State of California Contractor's License. The remaining proposals having met these requirements were then evaluated by an evaluation committee consisting of Public Works staff. The evaluation was based on criteria described in the RFP, which included the price, experience, work plan, references, and equipment utilizing the informed averaging methodology for applicable criteria. Based on this evaluation, it is recommended that this contract be awarded to the highest-rated, apparent responsive, and responsible proposer, All-Cal Equipment Services, Inc.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Administrative Services Division.

Respectfully submitted,

GAIL FARBER

Director
